From the Top: Welcome Chief Council!

AFIMSC welcomes Chief Master Sgt. Dana Council as our new Command Chief Master Sergeant. He comes to us from Davis-Monthan AFB, Arizona, where he was the 355th Wing CCC. He is currently on the road with Maj. Gen. Allen and we'll conduct an interview with him when he's back so you can get to know him on a more personal level. For now, read up on his [bio](#).

Multicapable Airmen

AFCEC set out to prove that the concept of a cross section of Airmen carrying out important wartime tasks is a good idea during a Rapid Damage Repair Multi-Capable Airmen Exercise last month at Dobbins AFB, Georgia.

Rapid Damage Repair Multi-Capable Airmen Exercise

FRONT & CENTER

[AFIMSC disaster response team deploys to help after Typhoon Mawar](#)

In the wake of Category 4 Typhoon Mawar, a small team of AFIMSC disaster recovery experts deploy to Andersen AFB, Guam, to assist with storm damage recovery at the vital Pacific installation.

[Sentinel missile infrastructure construction cleared for takeoff](#)

The construction phase of Sentinel, the Air Force's multi-billion-dollar missile modernization effort, was cleared for takeoff May 19.

[Symposium strengthens housing professionals to deliver 'excellent' facilities, services](#)

More than 250 DAF housing professionals met in San Antonio May 15-18 to learn, network and hone skills to support Airmen, Guardians and their families' housing needs.

[Air Force transporters deliver agility, lethality](#)

Dominant logistic capabilities that traverse the air and ground are key to the agility and lethality of a superior force. That's what the transportation teams at the AFIMSC bring to bear by manning, training and equipping transportation personnel across the Air Force.
