Everything you need to know as we transition to an A-Staff structure.

A-Staff Reorganization

From the Top: Transitioning to an A-Staff structure

We're embracing a new era of operational effectiveness and collaboration with a plan to adopt the Air Force Forces staff structure, more commonly known as an A-Staff. Our goal is to achieve Initial Operational Capability by Oct. 1 and Full Operational Capability by October 2024. Read more [here](#).

FRONT & CENTER

[AFIMSC announces 2023 Innovation Rodeo finalists](#)

Eight members of the DAF will now compete for a share of at least \$1 million in funding and resources to pursue their ideas.

[AFIMSC takes three AFMC continuous improvement, innovation awards](#)

Summer Safety

While Summer activities can be a lot of fun, it's crucial to keep sunburns and heat-related illnesses as well as dangers related to water, fire, driving, sports and recreation in mind. Last year during the summer season, 11 Airmen and Guardians were lost to preventable off-duty mishaps. [Click for summer safety tips.](#)

AFIMSC ANALYTICS TRAINING PROGRAM
