AFIMSC 2023 I-WEPTAC topics

Previous I-WEPTACs focused on broad innovation topics typically submitted by Airmen, Guardians, civilians and organizations from around the Air Force, but this year AFIMSC is trying something different. "This year's topics represent a shift to very focused topics that are at the forefront of senior leader thoughts on force presentation and near-peer competition," said Lt. Col. Michael Askegren, AFIMSC Innovation and Improvement Division chief and this year's I-WEPTAC Air Boss.

AFIMSC's 2023 I-WEPTAC

Air Force Services Center

AFSVC is the key component in AFIMSC's ability to execute quality of life programs that take care of Airmen, Guardians and their families. AFIMSC delivers affordable, accessible and quality morale, welfare and recreation and sustainment services across the DAF.

FRONT & CENTER

AFIMSC leads Andersen rebuild in Typhoon Mawar aftermath

Just four months after Typhoon Mawar pounded Andersen AFB, Guam, AFIMSC's response has moved from recovery to rebuild mode.

Air Force pioneering innovative geothermal energy solutions

AFCEC collaborating on geothermal energy prototype facilities at Mountain Home Air Force Base, Idaho, and Joint Base San Antonio, Texas.

AFIMSC partners with DLA to fuel the Air Force fight

AFCEC is leading an \$840 million effort to repair and replace fuel infrastructure at 83 DAF installations, executing more than 200 fuel design and construction contracts that aim to preserve and modernize fuel assets.

Mawar response a family matter for AFCEC duo

Typhoon Mawar struck close to home for members of AFCEC's Natural Disaster Recovery Division, who have family and friends in Guam.

AFSVC reserve officer joins UTSA basketball as coach

An AFIMSC teammate is going to be sitting courtside this season for the University of Texas at San Antonio men's basketball team as an assistant coach.

Meet the 2023 AFIMSC I-WEPTAC MAWG Chairs

SHAPING FORCE PRESENTATION, GENERATION, AND INSTALLATION COMBAT RESILIENCE

Lt. Col. Ross Dotzlaef
Chief, Facilities Sustainment, Restoration and Modernization Strategy
AFIMSC Installation Support Directorate
Joint Base San Antonio - Lackland, Texas

MAWG Topic:
Reconfiguring Operations Installation & Mission Support to Enable AFCEC Implementation

"It is an honor to have been chosen as chair for this topic. I feel our team's efforts will help the DAF understand the challenges that AFCEC implementation could have on garrison operations and inform solutions that may mitigate negative impacts to the mission."

SHAPING FORCE PRESENTATION, GENERATION, AND INSTALLATION COMBAT RESILIENCE

Maj. Ronda Underwood
Chief, Expeditionary Engineering Division
AFCEC Readiness Directorate
Tyndall Air Force Base, Florida

MAWG Topic:
Promoting Expeditionary Combat Support Capabilities in the AFCEC Deployment Model

"I'm honored to be a part of shaping the future force presentation and tackle the tough challenges we face. Change is long overdue; business as usual will not cut it for the future fight."

SHAPING FORCE PRESENTATION, GENERATION, AND INSTALLATION COMBAT RESILIENCE

Lt. Col. Kale McGinnis
Chief, Installation Support Branch
AFIMSC Resources Directorate
Joint Base San Antonio - Lackland, Texas

MAWG Topic:
Combat Support Training Resonance - Providing Regional Installation Training & Expeditionary Combat Support Certification

"It feels great to be in a position where I can inform and help shape the future of the Air Force. In response to Gen. Brown's 'Accelerate Change or Lose' the Air Force is undergoing a significant change in how we present forces."

SHAPING FORCE PRESENTATION, GENERATION, AND INSTALLATION COMBAT RESILIENCE

Maj. Zachary Schumann
Operations Flight Commander
11th Civil Engineer Squadron
Joint Base Anacostia-Bolling, Washington, D.C.

MAWG Topic:
Andersen Air Force Base Combat Resilience Master Plan

"This is an incredible opportunity and I am very grateful for having been chosen as chair for this. Combat resilience planning helps us deliver infrastructure and facility systems that are hard to break and quick to fix."
