On Aug. 6, the Vandenberg AFB's Beachcombers Dining Facility (DFAC) opened its doors once again after a \$650,000 renovation project. The Beachcombers is one of two DFACs located on Vandenberg AFB. The main DFAC, The Breakers, is open to anyone who has access to the installation; active duty, retirees, and contractors. The Beachcombers DFAC is open only to U.S. Air Force and U.S. Space Force students and cadre.

The DFAC renovation included installation of new flooring, serving counters, a tray-rack system, electronic menu boards, an updated Point of Sales (POS) system, and an expanded POS station that allows for greater customer throughput and increased speed of service. The dining area also received a facelift, including new flooring, window treatments, and tables/chairs.

Prior to the renovation, only the breakfast meal was offered at The Beachcombers. Now that the renovation is complete, students and cadre can now partake in three meals per day, breakfast, lunch, and dinner, Monday through Friday and enjoy Entrée/Global, Pizza, Deli, and Simply-To-Go stations along with a salad bar packed full of healthy choices.
