AFIMSC  
Commander's Call

## From the Top

Maj. Gen. Allen hosted a commander's call Feb. 16, along with Chief Master Sgt. Castillo. Topics included 4th Qtr. & Civilian Service Awards announcements, Career Milestone recognitions, Senior Leader hails & farewells, PSU & Directorate storytelling and a Q&A session.

## FRONT & CENTER

### Small change to student travel process saves \$6.1 million

The Air Force has saved more than \$6 million in travel payment transaction fees since 2019, thanks to a small process change made by AFIMSC.

### AFIMSC expanding Air Force readiness with regional training sites

Fully-equipped, multi-functional training sites will soon be within easy traveling distance of most civil engineering, force support and security forces units, thanks to AFIMSC.

### AFIMSC collaboration with local community, industry brings solar power to Edwards AFB

Nearly five years of collaboration between the Air Force, civic stakeholders and private industry came to fruition with a 2,600-acre solar enhanced use lease project at Edwards AFB, California.

### New postal contract saves time, money while delivering consistent service to stateside customers

AFIMSC recently awarded a 10-year contract for official mail centers and potential support services across 38 continental U.S. installations to save almost \$5 million.
