# CONNECTIONS

April 2023

Your Monthly AFIMSC News Bulletin Board

## From the Top

I'm proud to announce the release of the [2023 AFIMSC Strategic Plan](#). Over the past few years, our strategy has grown and evolved to better serve our customers and meet our mission responsibilities to Air Force Materiel Command and the Department of the Air Force. This year is no different. First, because we believe it's critically important our AFIMSC team members fully understand the role they play in enhancing lethality and readiness for America's Air and Space Forces, we added a fourth line of effort – Amplify Warfighter Culture – focused on connecting everyone in AFIMSC to the mission. – Maj. Gen. Allen.

Air Force  
World Class Athletes

[WCAP Training](#)  
DAF's World Class Athlete Program Airmen and Guardians train to earn spots on the U.S. Olympic Team and a chance to compete in the 2024 Summer Olympics in Paris.

## FRONT & CENTER

### [AFIMSC prioritizing Airmen, Guardian readiness](#)

AFIMSC's FAMs and MFMs deliver lethality and readiness across the DAF by ensuring I&MS Airmen have the resources and programs to train and be mission ready.

### [Enterprise LMR contract delivers reliability, security to leaders and first responders](#)

The contract, awarded by the 771st ESS in partnership with AFIMSC, aims to drive consistency of service and equipment as well as cost savings and reliability.

### [AFSFC begins DAF-wide periodic confinement assessments](#)

AFSFC recently began its first full year of established, Level I confinement facility assessments, solidifying a plan to ensure health, safety and security standards across the DAF.

### [AFCEC environmental restoration chief receives Trailblazer Award](#)

Kenny Johnson, AFCEC's Environmental Restoration Program Management Chief, awarded the Science Spectrum Trailblazer Award during the 2023 Black Engineer of the Year Awards Gala.
