

IMSC CONNECTIONS

News From Across Our Enterprise

Your Success Is Our Mission

IMSC Connections is a monthly news and information eNewsletter produced and distributed by the AFIMSC Public Affairs Division. To submit items, email them to the AFIMSC PA Workflow box (AFIMSC.PA.Workflow@us.af.mil) by the 25th of each month.

FAMILY & FUN

The theme we focused on in the month of November was Family & Fun, one of our six [AFIMSC Values](#). We are a connected and united team, supporting our workforce and our families, who make all our mission success possible. See related stories below.

FROM THE TOP

[Commander's Call Dec. 18](#)

AFIMSC Commander Maj. Gen. Tom Wilcox will be holding his Commander's Call on Dec. 18 at 11 a.m. CST. Here's the [link](#).

[AFMC conducts command-wide diversity survey](#)

Please help us make sure AFIMSC is heard in the Air Force Materiel Command-wide diversity and inclusion survey. Gen. Arnold W. Bunch, Jr., AFMC commander, states the goal for the survey is to gather feedback that will help AFMC build and maintain an environment where every member of the command feels accepted, valued and has the opportunity to achieve her or his full potential. Here's the [link](#) to the survey.

AFIMSC NEWS & INFORMATION

[Do you know about LAUNCH?](#)

LAUNCH is a SharePoint-based, interactive capabilities library that serves as a portal for customers to learn about AFIMSC products and services, better understand the Center's organizational construct and missions, and find contact information for mission areas. LAUNCH was developed to help the AFIMSC team better connect and collaborate with Air Force and Space Force customers.

FAMILY & FUN

[AFIMSC builds culture of family, fun](#)

To instill a culture that embraces family and fun, AFIMSC earlier this year the center built goals into its strategic plan aimed at improving morale, resilience and unity, and made "Family & Fun" one of its organizational values.

Simple comment leads to royal education, career growth, experience

Scott Ensign, Air Force GeoBase Program manager and Air Force Civil Engineer Center Geo Integration officer, recently returned from a unique professional development opportunity with the Royal School of Military Survey in the United Kingdom.

FAMILY & FUN

Commentary: Get involved, support your AFIMSC family

While many might only think of family as those they go home to, it's important to understand that not everyone has that ability and some of our AFIMSC teammates live alone. This is why the AFIMSC leadership team places an emphasis on "Family & Fun."

Computerized canines to join Team Tyndall

Tyndall is the test base for Ghost Robotics' semi-autonomous robot dogs with possible use across the Air Force as part of the Installation of the Future initiative.

FAMILY & FUN

AF Services puts E-sports to the test in Global Strike

Air Force Gaming made its official debut Nov. 11 under the Air Force Services Center with a new intramural e-sports program as teams at eight Air Force Global Strike Command bases will compete in a pilot program to crown the gaming champions of the command.

COMPUSEC automation delivers time, cost savings

A new computer security automated process, developed by the Air Force Installation Contracting Center, could mean significant time and cost savings for Airmen across the Air Force.
