News From Across Our Enterprise

Your Success Is Our Mission

*IMSC Connections is a monthly eNewsletter produced and distributed by the AFIMSC Public Affairs Division. **To submit items, email them to the AFIMSC PA Workflow box (AFIMSC.PA.Workflow@us.af.mil) by the 25th of each month.***

FROM THE TOP

[Save the date: Commander's Call, Aug. 13](#)

Maj Gen Wilcox will hold his next Commander's Call Aug. 13 at 2 p.m. in the Gateway Club at Joint Base San Antonio-Lackland. A "Welcome Back" social will follow in the lounge. The Commander's Call will also be streamed live on the AFIMSC Facebook page.

AFIMSC NEWS & INFORMATION

[Air Force tests child care subletting app at eight installations](#)

AFIMSC is testing a mobile app designed to centralize and streamline the subletting of short-term slots at military child development centers this summer.

[Air Force, Army build on joint contracting operations with JFCE 2021](#)

Army and Air Force contracting experts are strengthening joint operations by reviving joint exercises, beginning with the Joint Force Contracting Exercise 2021 June 21-25 at numerous locations.

[AFSFC assessment tool improving health, readiness of military working dogs](#)

Recent renovations to kennel facilities at the 1st Special Operations Security Forces Squadron are enhancing the living conditions and wellbeing of military working dogs at Hurlburt Field, Florida.

[Air Force awards JBSA aquatics training facility contract](#)

AFIMSC awarded a \$66.6 million project June 25 to construct a mission-critical aquatics training facility at Joint Base San Antonio-Lackland, Texas, in support of the Battlefield Airmen Training demands.

[AFIMSC accelerates change across the enterprise with Big Data](#)

AFIMSC hosted a Big Data Summit June 15-17 to share its data management strategy, vision and ongoing efforts with key stakeholders.

[Wildland Fire Center helps protect Beale from fast-moving blaze](#)

The Air Force Civil Engineer Center Wildland Fire Center joined installation and local firefighters to extinguish a nearly 1,000-acre wildfire that threatened housing and other structures June 8 at Beale Air Force Base, California.

[EPA recognizes AFCEC team for restoration at former Griffiss AFB](#)

The Environmental Protection Agency recently named former Griffiss Air Force Base, New York, as one of its 2021 National Federal Facility Excellence in Site Reuse Award winners.

[AFIMSC collaboration leads to JBAB charter school](#)

After more than a year of collaboration between AFIMSC, other Defense Department agencies and local leaders, Joint Base Anacostia-Bolling, Washington, D.C., will soon be home to a new community charter school.

[Tyndall continues “Digital Twin” innovation](#)

Air Force engineers captured data by drone to digitally map facilities from an aerial perspective during the Tyndall AFB Program Management Office’s “Digital Twin” data capture event June 4-6. This data, combined with the data collected through other mapping methods in March, gives engineers the tools to create the Digital Twin virtual replica of the installation.

[Air Force awards contract for pilot study of groundwater treatment at Cannon AFB](#)

The Air Force recently awarded a \$16.6 million contract for a pilot study and engineering evaluation/cost estimate at Cannon Air Force Base, N.M. The study could help protect drinking water and accelerate possible long-term actions to address two perfluorinated substances in water supplies near the base.

[ESPC awarded for Cannon AFB](#)

Cannon Air Force Base, New Mexico, is receiving energy efficiency infrastructure improvements through an Energy Saving Performance Contract awarded by the Defense Logistics Agency-Energy on June 3.
