

AFCEC Housing Division participates in Housing Privatization project owners meeting

The Department of the Air Force hosted a 3-day virtual and in-person Housing Board and Housing Privatization Project Owners meeting Oct. 5-7, in San Antonio, Texas. The board meeting provided a programmatic review of government owned, privatized and unaccompanied housing that included a dorms Quality of Life Investment focus, HP restructures, the Portfolio Assessment Program and the watchlist status topics. During the project owners general session meeting, the Air Force Civil Engineer Center's Air Force Housing Division discussed the Health of the Fleet and the upcoming Department of Defense Tenant Satisfaction Survey. Project owners also engaged in individual one-on-one discussions with Assistant Secretary of the Air Force for Installations, Environment and Energy and AFCEC senior leaders. More than 40 people participated in the event, to include 25 project owners.
