

# #IAMIMSC Award

The #IAMIMSC award is to recognize an individual from across the AFIMSC enterprise whose actions have promoted connectedness and service before self within their workplace or the Center. While it can be difficult to pinpoint connectedness, the result of these actions is individuals in the organization feeling accepted, respected, included, valued and supported by others. Connectedness is only as strong as every individual, supervisor, and leadership involved.

**Rules of Engagement:** The award will be submitted in narrative format and is limited to 500 words.

**Award Eligibility:** The #IAMIMSC award is open to all members who are a part of team IMSC, including officers, enlisted, civilians, contractors, and spouses. **Nomination Process:** Nominations must be submitted electronically by any AFIMSC member to [afimscroundtable@gmail.com](mailto:afimscroundtable@gmail.com) by 1700 on the first Thursday of the month.
