**Redesigned, modern site delivers a NEW user experience ACROSS ALL PLATFORMS**

## AFIMSC website keeps public informed

The Air Force Installation and Mission Support Center public website, [www.afimsc.af.mil](http://www.afimsc.af.mil), keeps audiences informed with relevant, timely news and information about the center and its global workforce who delivers support to America's Air and Space Forces.

Recently redesigned to incorporate an updated look and improved navigation, the site is an important communication tool for AFIMSC, boosting awareness and understanding of the center's mission, capabilities, policies, priorities and programs. The site balances news about team and individual accomplishments -- and the effect of that work on Airmen, Guardians and families -- with personal spotlights and in-depth information about AFIMSC's [leadership](#), [strategy](#), [innovation](#) efforts, ongoing initiatives and annual events.

Featured pages include:

- [Tyndall PMO](#)
- [Office of the Future](#)
- [Doing Business with AFIMSC](#)
- and more!

With new information added throughout the week, the site offers a user-friendly experience across all platforms, so bookmark the site today and check back regularly! You'll also find the latest Air Force and Air Force Materiel Command news, so it's a great way to stay informed about Air Force and AFMC senior leader news and priorities, too.
