### 2022 Hennessy Travelers and Arthur J. Myers Awards Announced

The Air Force Services Center (AFSVC) hosted the Air Force Culinary Excellence Training course at the Culinary Institute of America San Antonio Campus 29 Aug - 2 Sep 22. Eighteen AF Chefs from installations around the globe attended this prestigious training event.

The five-day training program incorporated lectures, demonstrations, assessments, and hands-on cooking and production activities designed to reinforce culinary fundamentals according to industry best practices and contributed to servicemen's and servicewomen's current and future mission effectiveness.

During the graduation on 2 Sep 22, Colonel Carolyn Ammons, AFSVC Commander, announced the 2022 Hennessy Traveler Association (HTA) award winners. She presented the HTA trophies

to Region 1 winner, A1C Tommiesha Bailey (Whiteman AFB MO) and Region 2 winner A1C Alexander Paisano (Yokota Air Base, Japan).

Region 2 winner SrA Allen Carpio, Fairchild AFB

This was an excellent opportunity to commend our Airmen for their hard work. These Airmen are the best of the best and take extreme pride in their culinary skills. They are on the front lines of the food service career field and contribute 100 percent daily to ensure our customers receive quality food and customer service at every meal.

Congratulations to the 2022 HTA and Arthur J. Myer winners. For additional information, contact Mr. James Krueger at DSN 969-7793.

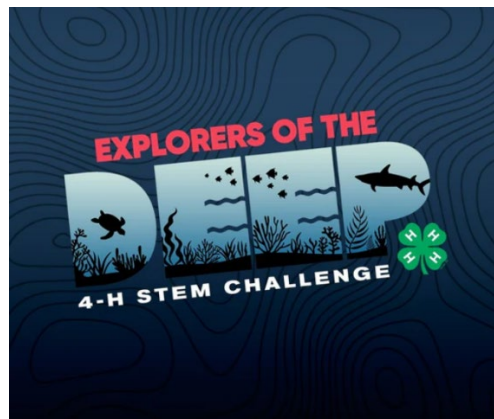

### 2022 4-H National STEM Challenge

AFSVC in collaboration with 4-H is pleased to announce the upcoming 4-H National STEM Challenge. This annual initiative is designed to inspire kids everywhere to take an interest in science, technology, engineering and math through hands-on learning.

This year's challenge is *Explorers of the Deep Ocean* exploration with robots. Youth will use their imagination and creativity to explore Earth's Ocean and how it relates to all life on the planet!

The STEM challenge is a collection of activities for youth ages 8-14 that engage them in experiments and projects to learn about the incredibly complex relationship between Earth's oceans and the global climate.

Each installation can purchase kits (centrally funded by AFSVC) for use in their programs. Please get with your child's local Child and Youth Program for local details or contact Mr. Kevin Hansen at [kevin.hansen.4@us.af.mil](mailto:kevin.hansen.4@us.af.mil).
